»» Blütenkopf ‹‹

A hand-drawn diagram on graph paper showing the outline of a flower head. The drawing is a closed, roughly oval shape with a slightly irregular top edge. The top edge features a central peak and two smaller peaks on either side, connected by a series of curves. The bottom edge is a smooth, wide curve. The text '»» Blütenkopf ‹‹' is written in green in the center of the diagram.

Two hand-drawn leaf outlines are shown on a grid background. The left leaf is larger and more rounded, while the right leaf is smaller and more elongated. Both are drawn with a single continuous line.
